

Leather Dreams

NEW COLLECTION

OUR HISTORY

We are a manufacturer of leather goods operating in the industry for 30 years. Since then, we have gained extensive experience. Continuous development and improvement has taught us to create fashionable, practical, and most importantly, high quality products. All this is the pillar on which we have built the trust of our customers. Our base are simple, classic models, which the used materials give the appreciated quality and durability. We have AQAP and ISO certificates, as well as many awards we have won during the international trade fairs such as Rema Days.

We have our own design office, where we create models and develop our client projects. We are able to implement projects at the individual request of the client as well as for uniformed services such as: army, post office, mining, aviation or police.

NEW COLLECTION

We are constantly working on our offer. In the catalog we mainly present new products and products that are most popular among our customers. In the new collection you will find interesting patterns, characterized by an unusual design.

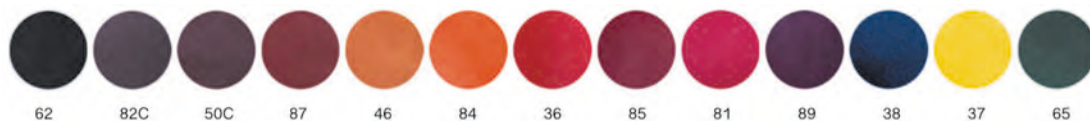

We hope that our products will provide you with satisfaction. We invite you to establish and maintain further cooperation.

Always fashionable and constantly attractive!
